Hey Benjie,

I apologize for not responding sooner, Uplift typically does SRA stuff when the district tests the students for the standardized testing because we have more class time with them. Also, I did

hear from 2 schools who are do SRA material in February. However, I am waiting to hear back from them for the exact dates. So, we will start SRA material in February through April. Let me know if this is what you needed and makes sense.

Thanks,
Jess

I do not believe I heard from anyone regarding my email below. Would you please respond asap.

Also Jessica, I am not sure what you mean by, "will not know till March being that's when "some schools start to test"? Test for what?

Thank you!

To clarify, CO UpLift has no programs being funded under Title V until March or later? Will there be any unduplicated numbers to report for the first 6 month report?
